MOULD & MILDEW REMOVER TECHNICAL APPLICATION GUIDE

DESCRIPTION

SPECIALIST CLEANER

- Removes mould & black spots from grout & silicone
- Suitable for use around plastic & enamel baths & showers
- Fast, effective results

Mould & Mildew Remover is an effective, safe cleaner specially formulated for the removal of mould and unsightly black spots commonly found on grout joints and hard surfaces, i.e. bathroom area, ceramics, porcelain and most types of natural stones tiles.

DIRECTIONS FOR USE

SHAKE WELL BEFORE USING.

1. Read entire label before using.
2. Spray the surface to be treated from 20-30cm away.
3. Leave to work for 20-30 mins, then agitate with a stiff brush or scouring pad.
4. In the case of stubborn stains i.e. such as on silicone sealants, spray again and leave to work for up to 2-3 hours.
5. Clean the sprayed surface with a sponge & clean water.

Always test Mould & Mildew Remover on an inconspicuous area prior to use.

PLEASE NOTE: Avoid contact with metals and do not treat coloured surfaces. We do not recommend using this product on artexed surfaces. Avoid splashes on sensitive surfaces such as metal, wood or clothing.

SUGGESTED FIRST AID PROCEDURES

Eye contact: immediately flush eyes with plenty of water for approximately 15 minutes. If irritation persists, seek medical attention. **Skin contact:** wash area in question with soap and water. If irritation persists, seek medical attention. **Inhalation:** Remove person to fresh air. If symptoms persist, seek medical attention. **Ingestion:** Harmful if swallowed; Do not induce vomiting, if nauseous drink 2-3 glasses of water. Seek medical attention immediately and show this container or label.
