# GROUT MAGIC PRE-TREATMENT TECHNICAL APPLICATION GUIDE

## DESCRIPTION

### SURFACE PRIMER

- Removes stubborn staining from wall & floor grout joints and primes the surface for grout recolouring
- Suitable for use around plastic & enamel baths & showers
- Fast & effective

**Grout Magic Pre-Treatment** is an effective cleaner & primer specially formulated to pre-treat and ready grout joints for the application of **Grout Magic Colour Sealer**. Suitable for use on wall & floor grout joints around non porous tiled surfaces.

## DIRECTIONS FOR USE

### SHAKE WELL BEFORE USING.

1. Read label before using and follow personal protection guidance.
2. Spray the grout joint from approx 20-30cm away.
3. Leave to work for 2-3 mins, then agitate with a stiff brush or scouring pad and rinse with clean water.
4. Allow grout joints to completely dry before applying **Grout Magic**.

Always test **Grout Magic Pre-Treatment** on an inconspicuous area prior to use.

**PLEASE NOTE:** Avoid splashes on to sensitive surfaces such as metal, wood or clothing.

## SUGGESTED FIRST AID PROCEDURES

**Eye contact:** immediately flush eyes with plenty of water for approximately 15 minutes. If irritation persists, seek medical attention. **Skin contact:** wash area in question with soap and water. If irritation persists, seek medical attention. **Inhalation:** Remove person to fresh air. If symptoms persist, seek medical attention. **Ingestion:** Harmful if swallowed; Do not induce vomiting, if nauseous drink 2-3 glasses of water. Seek medical attention immediately and show this container or label.

## STORAGE INFORMATION

Close nozzle after each use. Store out of direct sunlight, keep in original container only.
