

Technical Datasheet – Stone Rejuvenator & Cleaner

PRODUCT DESCRIPTION

Smartseal Stone Rejuvenator & Cleaner is a high performance, ready to use sprayable cleaner. It is suitable for using on most varieties of natural stone, including slate, travertine, marble, granite and limestone. After application and once it has dried off, the surface of the stone will look clean with the original colouring of the stone enhanced, which is the preferred finish for most customers.

PURPOSE

Smartseal Stone Rejuvenator & Cleaner is specially formulated with a number of effective surfactants and cleaning agents. These powerful cleaners and stone restorers will quickly break down ingrained dirt, grime, grease and other stains that may otherwise be hard to remove.

SPECIAL PROPERTIES
